PRINCIPLES OF FREEDOM, EQUALITY, JUST-
ICE AND HUMANITY FOR WHICH AMERICAN
PATRIOTS SACRIFICED THEIR LIVES AND
FORTUNES.

I THEREFORE BELIEVE IT IS MY DUTY TO

GLEANINGS FROM THE WAVES

It looks as if Hitler may have to list occupied Russia as a frozen asset.
 Buy Defense Stamps and lick the other side.
 Answer the Bums with Bombs.
 Millions for Defense but not a penny for appeasement.
 Walter Winchell's New Year's toast to the Japs: "Bottoms Up."
 We ought to give up the little brown jugs 'til we lick the little yellow mugs.
 Ammonia is used in making military explosives and also is fine for cleaning. We'll use it to clean the Japs.
 Premier Tojo calls China a spoiled child—but is having a tough time giving it a licking.
 Perhaps the secret of General McArthur's success against the Japs is that he believes in firing before he sees the whites of their teeth.
 The trouble with certain European nations is certain European notions.
 Congress is saving daylight, but the Army idea is to knock it out of the enemy.
 If everybody comes across, the Japs can't.
 The sun can't rise when you can see the stars—and stripes.

You can tell by looking at their eyes that the Japs have the wrong slant on things.
 Our own plan for dividing the Pacific Ocean with the Jap navy—they can have the bottom half!
 After December 7, Louis used nothing but Japanese sparring partners.
 Better be broke than conquered.
 We do not strike below the Belt.
 No blade is too dull to cut Hitler's throat.
 Let's head off shelling in the future by shelling out now—for defense bonds.
 Remember—Pay your taxes, slap the Axis.
 Louis says that he did right with the Bears, now he's going after snakes.
 Stop the JIG (Japan-Italy-Germany).
 Bataan Pancake: Oh, you just get a bunch of yellow eggs and beat 'em up.
 Before you bury the Hatchet bury the Axis.
 Give the Sharks a diet of Nipponese.
 Bring the Nippons to their nese.
 The Axis of today is the Axisn't of tomorrow.
 The Japs are full of the old Hari-Kari.
 If your taxes are only a nickel it will help put the Axis in a pickle.

JUNIOR-SENIOR PROM

HISTORY OF THE PROM

On May 11, 1923, thirty Juniors entertained thirty-six Seniors. That affair was dance given at Solms Hall; the music was furnished by the School orchestra composed of Tug Pfueffer Harvey Wagenfuehr; William Kessler Norman Gerlich, and Lee Oberkamp. This entertainment became known as the Junior-Senior Prom. Richard Morningweg and Darwin Suttle were Senior and Junior class presidents respectively.

This year Feb. 20, 1942 the Juniors now 84 strong gave the now traditional Junior-Senior Prom at Hotel Faust for 102 Seniors.
